

Mobile Banking Application

Please enable the accounts I have listed below for mobile banking access. Test messages (SMS) will only be permitted to/from the mobile number(s) I have listed below.

Name _____

Address _____

Email address: _____

Provide the username you would like to use to access the mobile banking site:

Username: _____

A password is not necessary for text banking. If you would like access to the mobile website, please provide a password.

Password _____ must be at least 8 alpha/numeric characters

List the phone number of the mobile device(s) you would like to have enable to receive text messages:

Mobile #1 _____ Mobile #2 _____

List the accounts that you would like to access through mobile banking (you must be an owner or authorized signer on an account, to be granted access):

Account Type (<i>circle</i>)	Account Number	Alias*	Default**
Checking Savings			
Checking Savings			
Checking Savings			
Checking Savings			
Checking Savings			

*For security purposes, account numbers are not used for mobile banking. The alias will be used when initiating an inquiry. Each account must have a unique alias. *Example:* checking, check1, savings.

**If you have multiple accounts, please check the account that you would like to use for your default account. When initiating a text inquiry, if no alias is entered, information will be provided for the account you have listed as the default account.

Please enroll me for mobile banking. I agree to be bound by all terms and conditions. I will not share my password and security question and answer.
